**Demand Excellence,
Demand Anthem.**

MRX SLM Compact
A/V Receiver

*With its slim design,
the MRX SLM can be
hidden behind the TV.*

**EXCLUSIVE
FEATURES**

Compact Form Factor: With dimensions half that of traditional AV receivers

Concealed Design: Easily disappears from sight, either behind your flat-panel TV or in a discreet position, creating a seamless setup.

Streaming Versatility: Incorporates Apple® AirPlay®, Google Cast™, Spotify Connect™, and Bluetooth® streaming capabilities.

Enhanced Connectivity: Comes with HDMI 2.0b eARC and HDCP 2.3, enabling seamless 4K/60Hz compatibility.

Precision Audio Calibration: Employs ARC (Anthem Room Correction) technology for fine-tuned sound.

Effortless Setup: Utilizes the Anthem Web-UI for a simplified setup process.

Immersive AV Support: Supports Dolby Atmos and DTS:X and is compatible with Dolby Vision to deliver captivating audio-visual experiences.

Streamlined Amplification: 5-channel Slimline A/V receiver, delivering a consistent 50 watts per channel into 8 ohms.

Where space-saving design meets powerful sonic performance.

Elevate your audio experience with the MRX SLM - a compact and powerful device that delivers Anthem's signature sound in a sleek and discreet form factor. Measuring at half the size of traditional AV receivers, this thin line receiver is perfect for those seeking to maximize space without compromising on sound quality.

Out of Sight, But Not Out of Sound: MRX SLM's Easy Hideaway Design

With its slim design, the MRX SLM can be easily hidden from sight, or even tucked away behind your flat-panel television for a seamless and streamlined setup. This premium device seamlessly integrates into your entertainment system, delivering the exceptional audio quality that Anthem is renowned for. The MRX SLM is the ultimate choice for audiophiles who demand the best in sound performance and aesthetics. Get ready to redefine your audio experience with the MRX SLM - the perfect addition to any modern-day entertainment setup.
